New Online Giving Platform

New Online Giving Platform

First, we would like to thank those of you who use our online giving platform for recurring financial gifts.

We have recently changed the system we use to process gifts by credit card and electronic check. The new system is easy to use and integrates directly with our financial management software. Also important to note is that our new system has lower processing fees than our old system and does not charge us the monthly fee we have been paying for quite some time.

We have directly contacted everyone who had a recurring gift being processed through our previous system, VANCO, and many of you have already switched over to the new system. If you have a recurring electronic gift and have not yet switched to the new system, we are asking you to please do so as soon as possible so we can turn off the old processing system completely. The new system is available at whartonfumc.org/giving. Once you enter a one-time gift, the system will give you the option to set it as recurring. After setting up your gift in the new system, please contact Amber in the church office at 979-532-1100 or whartonfumc@whartonfumc.org so she can cancel your gift in the old system.

Thank you for your assistance. Feel free to contact Amber if you have any questions or are in need of assistance with our online giving platform.
