### Donate Food for SHARE!

SHARE! seldom asks for food, as they are able to get food through the Food Bank, instead relying on individual donations for other needs such as toiletries. However, the Food Bank does not have the supply necessary to meet the needs at this time, so SHARE! has been having to pay full price for food at local grocery stores. Please consider donating canned goods in the Narthex on Sunday mornings or at the Church Office during the week to help provide for those in need here in our community.

### Acolyte Training!

We are looking for children and youth who want to serve as acolytes in our worship services. Acolytes are entrusted with carrying the Light of Christ into the worship space each week and then sending it out into the world at the end of the service. Come join us for this short training and be an important part of our worship leadership.
